everything for home improvement, even new homes!**

Novi, Mich.— Find more than expected at The Novi Home Show this fall. In addition to home improvement products, decorating and landscaping exhibits and experienced businesses available for consulting or hire, at this year’s show, attendees can tour model homes completely decorated and furnished!

The Novi Home Show, happening October 13-15 at Suburban Collection Showplace in Novi, is proud to host the Michigan Manufactured Housing Association (MMHA) Home Showcase. Featuring six spectacular model homes from member manufacturers Champion Home Builders, Manufactured Housing Enterprises (MHE), Adventure Homes, Clayton Homes and Skyline Homes, these manufactured homes highlight building innovations, design trends and some of the high-end finishes currently available. The homes range in size from 746 to 2,112 square feet and home prices, as displayed, are from \$19,900 to \$107,000.

The six manufactured home models feature gorgeous open floor plans, incredible kitchens and luxurious master baths. Representatives from manufactured home communities and retailers will be available to answer questions about manufactured home living and home placement options.

On display for the first time, the brand new “Catena” multi-section model from Michigan-based Champion Home Builders features three large bedrooms, including a master bedroom with an exceptional en-suite and walk-in closet, two full bathrooms, a built-in entertainment center, chef’s kitchen with granite countertops and island, walk-in pantry and a contemporary electric fireplace surrounded by built-in bookshelves.

There is no additional cost to tour the MMHA Home Showcase at The Novi Home Show.
