

## MOVE-IN INSTRUCTIONS

NOVI HOME SHOW  
FALL EDITION  
October 13-15, 2017

Note that exhibitors in Hall C do not move-in until WEDNESDAY. Exhibitors in Hall B move in beginning on TUESDAY. See move-in schedule for instructions.

And due to the popularity of the Suburban Collection Showplace, events are booked closely together. Another show is moving into the building on Monday after we close on Sunday.

**Therefore, we must move out quickly!**

**Please review the Move-In schedule carefully.**

The Michigan Manufactured Housing Association will be with us again – and using ALL of Hall A. Also the MMHA will have a special meeting for those in their industry on Thursday in and around the homes. Therefore, Hall A will be closed to all except members of the MMHA on Thursday. The wall separating the Halls will open on Friday morning prior to the public opening at 2:00 pm.

If you have any questions about your schedule, please contact your Show Sales Representative whose name appears below.

You will also notice the continuation of the expansion of the expo facility. This will provide over 90,000 sq ft of additional space for future events. Plans are to complete the construction by mid-summer 2018. You can see a visual concept of the expanded facility through a link on their home page at <https://suburbancollectionshowplace.com/>

Very soon our shows will be part of an even more prestigious facility!
