**The MMHA Home Showcase highlights five new homes at
The Novi Home Show October 11-13, 2019**

Novi, Mich.—The Michigan Manufactured Housing Association (MMHA) Manufactured Home Showcase is a great opportunity to tour the newest manufactured homes featuring open concept floorplans, advanced technologies and high-end features. The exhibit is part of The Novi Home Show, October 11-13 at Suburban Collection Showplace, Novi.

Attendees can tour completely decorated and furnished model homes featuring gorgeous porches, incredible kitchens and luxurious master baths from Champion Home Builders, Clayton Homes and Skyline Homes. For the first time, the MMHA Manufactured Home Showcase will feature a park model, under 399 sq. ft., for recreational, seasonal or camping use.

“Park models are a unique alternative to “Up North” cottages, for seasonal stays or for those who enjoy more with less,” said Darren Ing, director Michigan Manufactured Housing Association, “Manufactured home owners have the choice of community living or private property placement.” There are more than 1,100 communities in Michigan, according to the MMHA.

Representatives from manufactured home communities and retailers will be on hand to answer questions about manufactured home living.
